

# Downing College Summer Programme 2024

## Cancellation and Refund Policy

### Changes to the Summer Programme

Downing College will seek to deliver the Summer Programme in accordance with the description set out on the Downing Summer Programme web page. However, there may be situations in which it is desirable or necessary for the College to make changes to the course, either before or after enrolment. The College reserves the right to:

- a. make reasonable changes to the timetable or academic staff;
- b. make reasonable changes to the content and syllabus;
- c. cancel any of the subjects on offer should they be undersubscribed. In the unlikely event of this situation arising, participants will be advised on the best alternative subject for their course requirements.

### Cancellation by you

If you cancel your place on the Downing College Summer Programme, you should be aware that you will not be entitled to a refund, except in exceptional circumstances, at the discretion of the College or Summer Programme Director. If a refund is granted, an administration fee would be charged.

### Cancellation by us

Where there are good reasons to do so, Downing College may cancel the Summer Programme by giving you notice in writing at any time before the course is due to start. In this case, the College will refund all fees paid by you.
