This Financial Support form is for Downing College records only and needs to be completed in addition to the University's Financial Undertaking form.

By uploading the University's Financial Undertaking form you are confirming that you have read, understood and agree with the statements on the form and are giving the University of Cambridge and its Colleges your assurance that you are able to pay your University fees and otherwise support yourself monetarily during the whole period of your studies at Cambridge.

If you are admitted, you understand that neither the University nor the Colleges can commit to support you financially in the event that you experience financial difficulties,

and that non-payment of fees will necessitate withdrawal from the University and College.

Under no circumstances should you upload a completed form if you are in any doubt whatsoever about whether you have sufficient funds for your fees and living costs.
